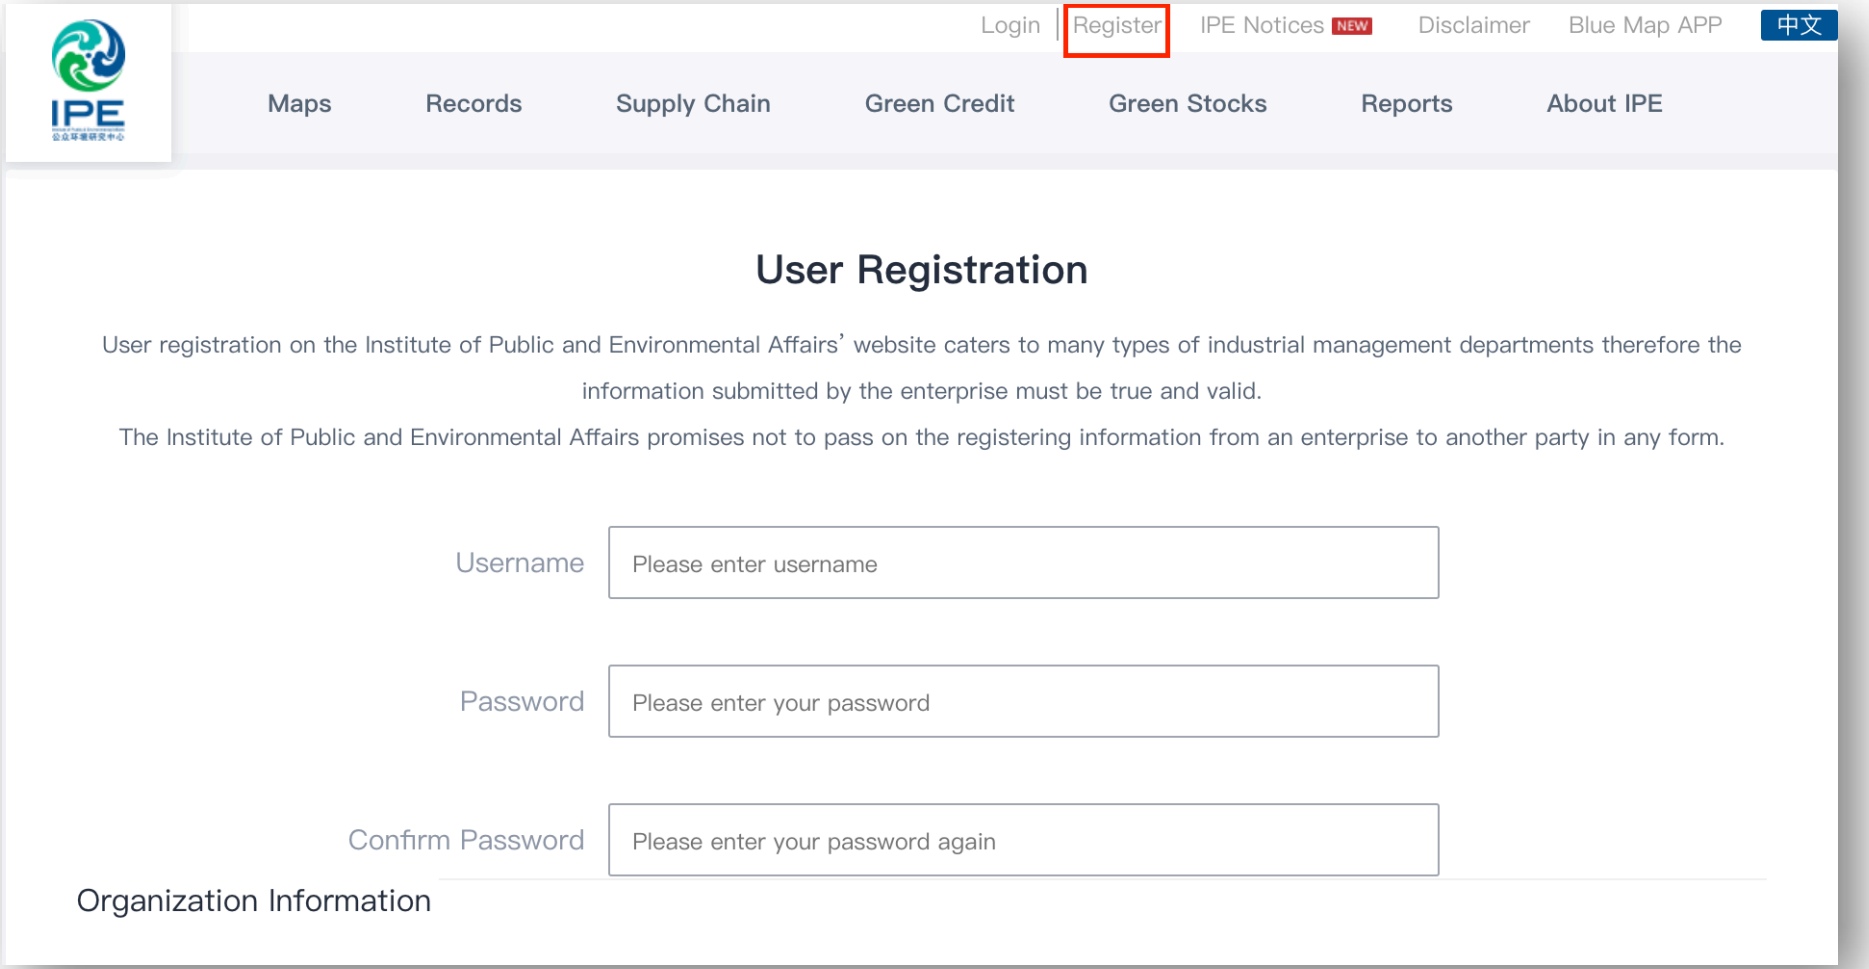
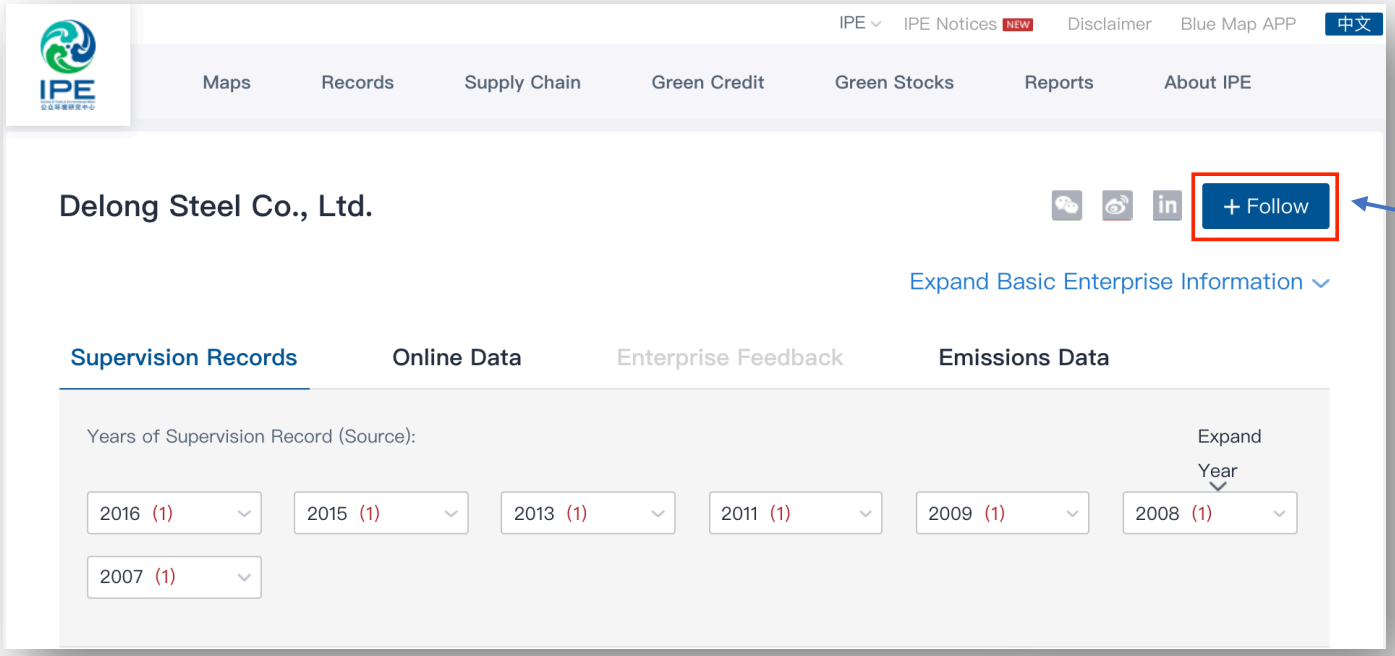
Brand Account User Guide

Register as a corporate user on IPE's website. Once successfully registered, contact IPE via e-mail to upgrade your account into "brand user account."





Once successfully logged in, brands can use single-line searches to identify supplier profiles.

Selecting "+ Follow" will add a supplier to one's user account for tracking.

OR, brands can import a list of suppliers to one's account.

How to conduct a single-line search or batch search?
